

Dear Tri –State,

**Mr & Mrs Sandford
5 Peters Court
Robbinsville NJ 08961**

We wanted to thank you for a job well done! Everything from the salesperson to the actual workmen to the follow up was terrific. We have never experienced an entire working crew that was so neat on the job before. They were all very informative as well as pleasant and prompt to boot.

The job started on time, actually sooner than we had expected, they showed up when they said they would and called if they were not able to come. This is a treasure for the busy schedule we have ourselves, so no days were wasted just waiting around needlessly. We would come home to everything already picked up which is a pleasure since we have 4 very curious children.

We were telling a friend about the room and Tri-State, and how happy we were. Her comment to us was that it just sounds too good to be true. She wanted to know where really was the problem since there had to be at least one since no company could be that neat or that nice since she's had plenty of work done and never had experience. Well that is where she was wrong, we couldn't say enough good things, to top off the fact that the product is beautiful.

We do, and will continue to recommend your company to our friends. You are welcome to give our name out as a reference.

Thank you for a beautiful room that we are enjoying everyday!!
