Dear Mel:

We have now had the final inspections for both Electrical and Building and enclose copies herewith of the approvals as well as our final check in the amount of \$250.00 to pass along to your book-keeping department.

Words cannot express how pleased we are with our new sunroom patio enclosure, especially the quality of materials used and the magnificent job your workers did in a most professional and courteous manner.

We would gladly and highly recommend your company to anyone upon request.

Yours truly,
