In a constant effort to achieve optimal customer satisfaction, Tri-State asks all our valued customers for input on the installation of our product. At this time we request you to take a moment to complete this questionnaire with your room installer.

- Was your room installation crew prompt and courteous?
- If applicable, is your door in good working condition and installed to your satisfaction?
- Are all windows functioning properly?
- How about your screens?
- Has all debris been removed from the premises?
- Are you satisfied with the location of downspouts?
- In regards to the glass, has it been cleaned of all stickers and excess caulk?
- Has the siding (if applicable) been secured properly?
- Has the finish caulk been to your satisfaction?
- Is the general appearance of the enclosure to your satisfaction?
- On a scale of 1-10, 10 being the highest, how would you rate?
